Podcasts

In this series of podcasts, Robert is joined by Eliana Baer for a casual but informative discussion of some of the most timely and important topics in divorce law. Together, they identify trends in the law and provide an overview of how the courts, lawyers and litigants are responding to issues that arise in Family Courts every day.

- The Perils of Social Media in Family Law Disputes

In this podcast, Robert and Eliana Baer highlight the potential risks for family law litigants who use social media platforms and why it is so critical to apply a greater degree of caution when using such sites while involved in a family law dispute.
