Fox Rothschild LLP
ATTORNEYS AT LAW

A nationally ranked trial lawyer, Scott represents *Fortune* 500 companies in commercial litigation matters that focus on technology, intellectual property, health care, privacy and data security. For a diverse range of clients, including First Data Corporation, Bausch & Lomb Incorporated and Merck & Co., Inc., Scott has tried cases in state and federal courts across the country, and before arbitral forums.

Scott's recent work includes:

- Defending Euphrates, Inc. against derivative and other claims in New York state court. The allegations involve both Euphrates and Chobani Inc., the well-known Greek yogurt company.
- Successful defense of First Data Merchant Services in U.S. District Court for the Eastern District of New York in a putative class action arising out of a merchant processing agreement.
- Defense and prosecution of claims arising out of a "change of control" provision stemming from a business combination between Merck & Co., Inc. and Schering-Plough Corporation. The case was settled after a multi-week arbitration administered by the International Centre for Dispute Resolution.

For eight consecutive years, *Chambers USA* has ranked Scott – also previously a BTI Client Service All-Star – as a leading litigation attorney in Pennsylvania. According to *Chambers*, clients say Scott:

- "is an indefatigable attorney - when it came to the crunch, he dug in and did what was needed."
- "is one of those guys who understands that it's about moving your business forward. He is pragmatic and focuses on business resolution."
- "emphasizes the importance of early assessment and constant assessment of the merits and weaknesses of a case. He's top-notch."

Over the past decade, Scott has developed a particular fluency in the rapidly evolving field of privacy and data security. He routinely counsels multinational and mid-sized businesses on how to mitigate risk and overcome the challenges posed by the current state and federal enforcement environment. For several years, Scott has contributed to the "Combating Cyberthreats" section to West/Thompson Reuters's [Data Security and Privacy Law](#) guide.

Scott's broad litigation practice encompasses:

- Licensing and technology transfer agreements
- Intellectual property, trade secrets, restrictive covenants and unfair competition
- Software and hardware technology service agreements
- Merchant processing and electronic payments
- Mergers, acquisitions and corporate changes-of-control
- Government contracting and procurement
- Commercial lending, FCRA, FDCPA and TIL

Scott serves as national trial counsel for First Data Corporation, and his clients include:

- Aramark Corporation
- Banc of America Merchant Services, LLC
- Chase Paymentech Solutions
- Fidelity National Information Services, Inc.
- Fiserv
- GATX Corporation
- GlaxoSmithKline plc
