

BLUE BELL OFFICE

Fox Rothschild LLP is a national law firm with more than 500 attorneys practicing in 16 offices coast to coast in California, Connecticut, Delaware, the District of Columbia, Florida, Nevada, New Jersey, New York and Pennsylvania. Our lawyers provide a full range of legal services to public and private business entities, charitable, medical and educational institutions and individuals throughout the country.

Fox Rothschild LLP
ATTORNEYS AT LAW

Our Blue Bell office is home to a team of Fox attorneys dedicated to serving the legal needs of clients both in the local community within Montgomery County and beyond. We regularly assist and guide clients—including family and emerging businesses, entrepreneurs, large corporations, financial and educational institutions, nonprofit organizations and government entities—through a comprehensive range of corporate, construction, education, labor and employment, litigation, intellectual property, real estate, taxation and wealth planning, and zoning and land use issues.

CORPORATE

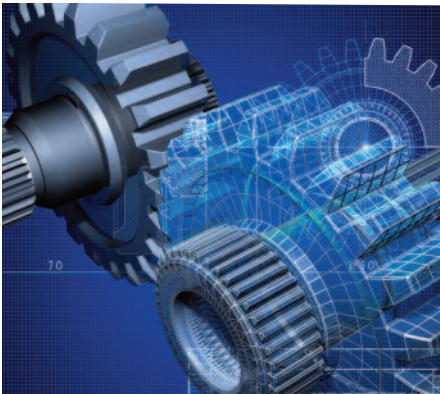

Attorneys in our Blue Bell office advise companies at all stages of the corporate life cycle—from growth to exit—providing strategic guidance at every step. We help clients navigate a wide range of business challenges, including general business, finance, real estate, tax, franchising, licensing and contractual matters, as well as assist with mergers, acquisitions and joint ventures. We are also experienced in the related intellectual property and tax issues that arise in connection with many corporate transactions.

CONSTRUCTION

Working side-by-side with clients from the planning stage through to completion, our attorneys help architects, real estate developers, contractors, subcontractors, construction managers and engineers through all stages of the construction industry's complex legal process. We handle the defense and prosecution of construction claims as well as land acquisition, zoning issues and development ordinances.

EDUCATION

Fox Rothschild has one of the largest teams of attorneys in Pennsylvania dedicated to representing education institutions and school entities. Our involvement in the community and experience serving as school solicitors throughout the state gives us beneficial insight into the issues faced by these organizations. We guide public, private and higher education institutions through a wide range of issues, including student discipline and simple governance, school violence, drug testing, technology use, planned giving, complex financing arrangements, construction and capital projects, deferred compensation and the numerous labor and employment issues specific to educational entities.

LABOR AND EMPLOYMENT

Skilled in all areas of labor and employment law—from labor relations and discrimination claims to employee benefits and beyond—our attorneys help employers address the ever-changing regulations governing the workplace so that they can maintain and successfully operate their business. We assist with employee terminations, discrimination actions, grievance and labor arbitrations, wage and hour disputes, personnel counseling and training, regulatory issues, contract negotiations and more. In Blue Bell, we have particular experience representing municipal and public school entities and routinely appear on their behalf before the EEOC, PHRC and the Pennsylvania Labor Relations Board.

LITIGATION

As part of the firm-wide team of more than 200 trial attorneys, our Blue Bell litigators are experienced at handling sophisticated litigation matters. We represent clients in complex corporate litigation; commercial liability and business disputes; high tech, copyright, trade secret, patent, medical device and other litigation regarding intellectual property; insurance contract interpretation disputes; fraud; real estate, construction and zoning issues; and employment and family law matters.

INTELLECTUAL PROPERTY

Our intellectual property attorneys have broad capabilities ranging from domestic and foreign patent prosecution in the pharmaceutical, chemical and medical device arenas to international trademark procurement and prosecution. We have experience analyzing infringement cases and counseling clients through patent invalidity and freedom to operate studies as well as handling licensing, due diligence and divestiture matters in the chemical and pharmaceutical fields. Our IP team in Blue Bell includes attorneys who possess extensive knowledge of the life sciences, pharmaceuticals, biotechnology, technology, medical devices and communications industries, enabling us to provide informed strategies for the development and management of intellectual property assets for companies engaged in those fields.

REAL ESTATE

With years of experience navigating the real estate market throughout the Delaware Valley, our real estate professionals have the insight needed to help clients—ranging from owners

and developers to financial institutions—maximize their real estate opportunities. Our attorneys have experience drafting, reviewing and negotiating leases, agreements and financing terms for residential and commercial properties and handling sales, acquisitions, joint ventures, leasing and condemnation. Our Blue Bell attorneys also have in-depth understanding of the zoning and land use laws throughout the Greater Philadelphia region and help clients turn construction plans into completed projects.

TAXATION & WEALTH PLANNING

As part of a nationwide team of experienced tax lawyers, our Blue Bell tax attorneys provide comprehensive planning and counseling services to clients to help them navigate the ever-changing maze of tax laws. We handle issues involving federal income, estate and gift tax planning; estate and trust administration; federal income tax planning for corporations and their shareholders, partnerships and LLCs and individuals; and family business and succession planning. We also represent clients in probate and trust law litigation and tax controversy and litigation as well as provide counsel on tax issues specific to nonprofit organizations.

ZONING & LAND USE

Home to one of the most experienced zoning and land use practices in the region, our Blue Bell office is comprised of attorneys who aggressively focus on helping clients achieve their objectives in zoning and land use activities, in real estate development work, and where necessary, in litigation proceedings. We handle various matters, including the negotiation of cable franchise agreements, review of subdivision and land development plans, and drafting and interpretation of zoning, subdivision and land development ordinances. We also represent property owners in land development and zoning matters before various municipal boards. Our attorneys are recognized members of several notable national and regional real estate industry professional organizations and have the key state and local connections needed to help clients obtain zoning and land use permits and approvals.
