

Business Litigation

Overview

- More than 125 attorneys firm wide
- Nationally recognized attorneys
- Cases in excess of \$1 billion
- Interdisciplinary practice groups

Litigation is a fact of modern business life, but experienced, aggressive representation should be, too. Fox Rothschild has a national reputation for knowledge and experience in business and commercial law, from manufacturing to the most cutting-edge technology. Our interdisciplinary team approach means we can quickly mobilize the necessary resources to develop an efficient litigation strategy or alternate dispute resolution – all to suit your business goals.
