

Franchise Times – “Legal Eagles”

The April 2019 issue of Franchise Times will feature our annual list of the industry’s Legal Eagles: franchise lawyers at the top of their game that provide outstanding service to clients and the industry.

Attorneys are selected based on the number and quality of nominations, with weight given to detailed nominations from clients and from peers in firms other than their own.

Nominations are only accepted via the nomination form. No self-nominations will be counted.
