

The Society of Financial Service Professionals – “Top Leaders 40 and Under”

The award recognizes aged 40 and under members who have in some way distinguished themselves professionally or have furthered the mission and values of FSP.

Submissions are accepted for those young financial professionals (aged 40 and under at time of submission) who are FSP volunteer leaders at a national, chapter or committee level, and/or are doing volunteer work locally in their communities with other organizations. Honorees must be current FSP members. Self-nominated submissions are accepted.

The 40 and Under campaign is profiled on the societyoffsp.org site and highlighted in *Society Page*.
