---

A native of Columbus, Georgia, Bin serves domestic and international clients across his home state. His practice focuses on providing outside general counsel representation to small and midsize businesses, though he also represents local governments and institutional clients.

Bin's practice extends to franchising and distribution, corporate governance, private offerings, intellectual property (excluding patents), local government law, nonprofit law, employment law, complex litigation in state and federal courts, appellate litigation, collections, and drafting, negotiating and litigating contracts.

### Before Fox Rothschild

Bin was an associate at Smith Moore Leatherwood LLP, which merged with Fox Rothschild in 2018. Before law school, Bin taught English as a Second Language in Chile and Panama and spent two years as an instructional designer for a Fortune 500 company.
