Eric's practice focuses on general corporate matters, including mergers and acquisitions, tax and business representation of closely held businesses, their owners and families.

He has structured and negotiated purchase and sale transactions ranging from one million to more than \$400 million. Additionally, Eric has designed and implemented incentive compensation programs such as equity and phantom equity based plans for startup and mature entities. Extending his practice to the cannabis industry, Eric has taken an active role in vetting investments in cannabis related businesses, as well as acting as outside counsel to a vertically integrated CBD business.
