

Scott L. Vernick

Retired Partner

svernick@foxrothschild.com

Philadelphia, PA

Tel: 215.299.2860

Fax: 215.299.2150

Scott represents a wide array of Fortune 500 companies in sectors that include pharmaceutical, health care, FinTech, and privacy and data security. Accomplished, practical and knowledgeable, Scott combines a strong business acumen with winning strategies at trial.

Scott's recent work includes:

- Defense of a global pharmaceutical company against claims for contractual indemnification arising from underlying Lanham Act litigation. (2017-pending).
- Investigation and prosecution of a global pharmaceutical company's potential claims for failure to supply penalties arising from assets divested by a third-party manufacturer. (2018-pending).
- Investigation and defense of a global pharmaceutical company against potential claims arising from \$25 million milestone payment due at first commercial sale. (2018-pending).

For an expanded list of Scott's cases, please review his [representative matters](#).

For 13 consecutive years (2007-2019), Scott was selected to the *Chambers USA* list of ranked attorneys for litigation in Pennsylvania. *

In client references provided to *Chambers USA*, Scott is described as:

- "very savvy, succinct and a strategist. He thinks issues through and instills confidence."
- "thoughtful, dogged and very smart."
- "an indefatigable attorney – when it came to the crunch, he dug in and did what was needed."
- "one of those guys who understands that it's about moving your business forward. He is pragmatic and focuses on business resolution."
- "he emphasizes the importance of early assessment and constant assessment of the merits and weaknesses of a case. He's top-notch."

**This award is conferred by Chambers & Partners. A description of the selection methodology is [available here](#). No aspect of this advertisement has been approved by the Supreme Court of New Jersey.*

Over the past decade, Scott, who was selected to the list of Client Service All Stars by BTI Consulting*, has developed a particular fluency in the rapidly evolving field of privacy and data security. He routinely counsels multinational and mid-sized

businesses on how to mitigate legal risk and overcome the challenges posed by the current state and federal enforcement environment. For several years, Scott has contributed to the “Combating Cyberthreats” section of West/Thompson Reuters’ [Data Security and Privacy Law](#) guide.

** This award is conferred by BTI Consulting Group. A description of the selection methodology is [available here](#). No aspect of this advertisement has been approved by the Supreme Court of New Jersey.*

Services

- Litigation
- Government Relations
- Privacy & Data Security

Thought Leadership

Scott provides commentary to national publications ranging from *The Economist*, *The New York Times*, *The Wall Street Journal* and *The Los Angeles Times* to *Forbes* and *Compliance Week*. Scott has also appeared as a featured guest on leading media outlets including Fox News, ABC, NPR’s Marketplace, Fox Business, Bloomberg TV and Cheddar.

For more, please see Scott’s [News](#) and [Publications](#) pages.

Trial Experience

Scott’s broad litigation practice encompasses:

- Licensing and technology transfer agreements
- Intellectual property, trade secrets, employee mobility and unfair competition
- Software and hardware technology service agreements
- Merchant processing and electronic payments
- Mergers, acquisitions and corporate changes-of-control
- Government contracting and procurement
- Commercial lending, FCRA, FDCPA and TILA

Scott is a former member of the firm’s Executive Committee and is a former Office Managing Partner of the Philadelphia office, the largest of the firm’s dozens of offices.

Honors & Awards

- **Selected to “AV Preeminent” list of rated attorneys**
This award is conferred by Martindale-Hubbell. A description of the selection methodology is [available here](#). No aspect of this advertisement has been approved by the New Jersey Supreme Court.
- **Selected to the *Chambers USA* list of ranked attorneys for litigation in Pennsylvania (2007 through 2019)**
This award is conferred by Chambers & Partners. A description of the selection methodology is [available here](#). No aspect of this advertisement has been approved by the Supreme Court of New Jersey.
- **Selected to the "Trailblazers" list in Cyber Security Law (2016)**
This award is conferred by The National Law Journal. A description of the selection methodology is [available here](#). No aspect of this advertisement has been approved by the Supreme Court of New Jersey.
- **Selected to the BTI Client Services All-Star Team list for Law Firms. (2009)**
This award is conferred by BTI Consulting Group. A description of the selection methodology is [available here](#). No aspect of this advertisement has been approved by the Supreme Court of New Jersey.

Languages

- Hebrew

Representative Matters

- On behalf of a global pharmaceutical company, defense of claims for contractual indemnification arising from underlying Lanham Act litigation. (2017-pending).
- On behalf of a global pharmaceutical company, investigation and prosecution of potential claims for failure to supply penalties arising from assets divested by a third-party manufacturer. (2018-pending).
- On behalf of a global pharmaceutical company, investigation and defense of potential claims arising from \$25 million milestone payment due at first commercial sale. (2018-pending).
- Three pending investigations into misappropriation of proprietary information and trade secrets on behalf of a global pharmaceutical company. (2018).
- *Neuro Kinetics, Inc. v. Balance Disorder Center of New Jersey, Inc., et al.* – defense of claims for misappropriation of trade secrets and conversion of proprietary information. (Western District of Pennsylvania 2017-2018 – settlement reached after motion for judgment on the pleadings filed).
- Prosecution of claims for misappropriation of trade secrets and breach of non-compete agreement against former senior executive of a global pharmaceutical company. (District of New Jersey and JAMS 2016-2017 – settlement reached after complaint and demand for arbitration filed based on forensic evidence).
- Successful defense of UCB Pharma against antitrust, unfair competition and malicious use of process claims in trial and appellate courts. (New Jersey 2014-2016).
- Prosecution of claims for breach of contract and wrongful termination for a high-profile pharmaceutical executive and defense of counterclaims for \$65 million in alleged damages. (JAMS 2015-2018).
- Defense of Merck & Co., Inc. in a multimillion-dollar putative class action against claims for Lanham Act violations and unfair competition, alleging that Merck and other defendants, including Bayer Healthcare, falsely advertised Dr. Scholl's products. (N.D. Ill. 2015-2016 – putative plaintiffs dismissed case during class and merits discovery).
- Defense of a high-profile pharmaceutical executive in three consolidated securities class actions. (Northern District of California 2015-2018 – settlement reached after second motion to dismiss filed).
- Successful prosecution of claims for Nautica Apparel, Inc. in an ICC arbitration in London against Liwa Trading Enterprises, LLC (a UAE enterprise) for declaratory relief and breach of contract under apparel license agreement. Secured award in favor of Nautica Apparel, Inc. for \$1.4 million. (ICC 2015-2018 – enforcement of award pending in the UAE).

- Defense of a global pharmaceutical company against claim for breach of a pharmaceutical license and supply agreement by generic manufacturer. (AAA 2015-2018 – settlement reached after multiple week evidentiary hearing and post-hearing briefing).
- Defense of a global pharmaceutical company against claims by a national pharmacy arising out of a pharmaceutical supply agreement. (AAA 2015-2017 – settlement reached after mediation).
- Defense of Fidelity National Information Services and Complete Payment Recovery Services in class action claims under the Telephone Consumer Protection Act and Fair Debt Collection Practices Act, securing dismissal without requiring class certification process. (E.D. Pa. 2015).
- Successful defense of a global pharmaceutical company against claims for breach of contract under pharmaceutical license agreement, resulting in \$110 million in cost savings.
- Successful defense of First Data Merchant Services Corporation against a putative class action filed by Spread Enterprises, Inc., d/b/a Ola Brasil, arising out of merchant processing agreements. Class certification denied and plaintiff's individual claims dismissed for lack of subject matter jurisdiction. (E.D.N.Y. 2011-2013).
- On behalf of a global pharmaceutical and vision care company – prosecution of claims for breach of contract arising out of a technology license agreement. Settlement reached before arbitration. (ICDR 2011).
- On behalf of a global pharmaceutical and vision care company – defense of claims for infringement and breach of contract brought by a non-practicing entity. Multi-week arbitration. Settlement reached after arbitration hearings. (ICDR 2010-2011).
- Centocor Ortho Biotech, Inc. v. Schering-Plough Corporation, et al. – defense and prosecution of claims arising out of a “change of control” provision stemming from a business combination between Merck & Co., Inc. and Schering-Plough Corporation. Multi-week arbitration. Settlement reached after arbitration hearings. (ICDR 2009-2011).
- Public Consulting Group, Inc. v. Unisys Corporation– defense of claims premised upon a teaming agreement for the design, development and implementation of a Medicaid Management Information System. Settlement reached after three-week arbitration. (AAA 2009-2010).
- The Hartford Fire Insurance Company v. First Health Group, Corp. – defense of claims based on allegations of incorrect payment of claims submitted to workers’ compensation provider network. Deployed early case evaluation to reach a settlement before arbitration hearings. (AAA 2009).
- Schering-Plough, Ltd. v. Centocor, Inc. – successful prosecution of claims under a pharmaceutical license agreement for access to second-generation technology and follow-on drug. Award for declaratory relief in favor of Schering-Plough, Ltd. after multiple week evidentiary hearing. (ICDR 2005-2006).

Results may vary depending on your particular facts and legal circumstances.
